NWPLAY108 Arm Walker

PLAY

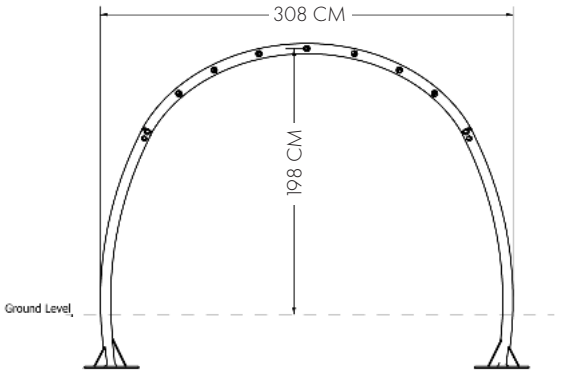

Play in Arm Walker, strength and endurance are challenged.
With fine control and good body awareness, the body swings rib by rib from end to end.

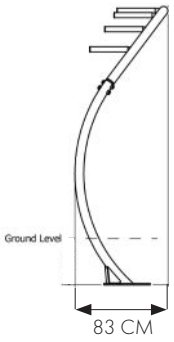

It also strengthens the upper body, arms and the ability to coordinate.

WEIGHT: 83 KG
FREE FALL HEIGHT: 98 CM
ZONE: 22 m^2

POSITION AND SAFETY ZONE:

Area = 22m^2 / 236,8 ft^2
Free Fall Height = 98cm / 38,6"

DESIGNED TO PLAY

All Norwell PLAY equipment is inspired by Norwell´s well known curve, - the main element of our design, which creates a light and transparent construction. Combined with our choice of colour, it can fit into any environment and in a playful way develops the child's balance and motor skills. All our equipment expresses the best of Danish Design, quality, functionality, and aesthetics.

SAFE DESIGN

All the Norwell Outdoor PLAY equipment comply with the European Playground equipment standard EN1176.

10 YEAR WARRANTY

10 years against failure due to material or manufacturing defects and corrosion breakthrough on pipes, foundations and welds. Please contact us for more information about warranty coverage, and for sites within 5 km of saltwater.

2 YEAR WARRANTY

2 years against failure due to material or manufactoring defects and corrosion breakthrough on all moving parts, plastic and rubber parts.
