NWPLAY209 Slide

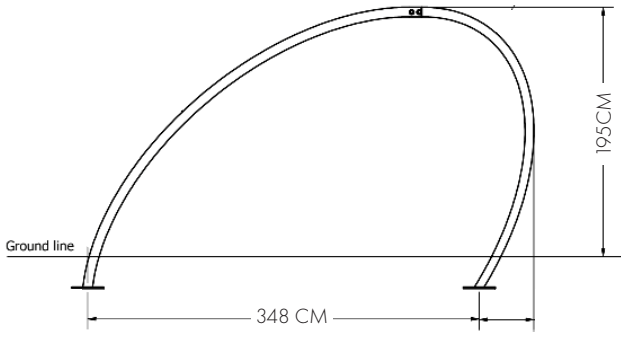

PLAY

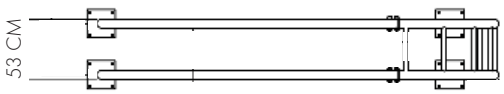

Slide is a simple and fun play equipment. With Norwell's well-known bows placed in parallel, it forms a simple and fun slide. With a good grip on the ladder, the child climbs up and sits on the highest point of the bows, and slides down with a leg on each side of the outside of the bows. Sliding trains the child's sense of balance and motor skills.

DESIGNED TO PLAY

All Norwell PLAY equipment is inspired by Norwell´s well known curve, - the main element of our design, which creates a light and transparent construction. Combined with our choice of colour, it can fit into any environment and in a playful way develops the child's balance and motor skills. All our equipment expresses the best of Danish Design, quality, functionality, and aesthetics.

SAFE DESIGN

All the Norwell Outdoor PLAY equipment comply with the European Playground equipment standard EN1176.
